Brooklyn Public Library's ESOL & Literacy Program

The Adult ESOL Program provides basic English language and life skills instruction to NYC residents whose native language is not English. Classes are FREE three (3) days a week via Zoom.

ESOL & TECHNOLOGY (iC3)

• Do you want to learn more about jobs and careers in the information technology field?
• Do you like computers and want to improve your computer skills?
• Are you interested in learning English, study and workplace readiness skills for careers in technology?
• Are you looking for a new or better job?

If you answered “yes” to these questions, and qualify, this training is for YOU!

The IELCE ESOL to Technology Jobs class will help you learn English and basic skills you need to work in entry-level jobs, and enable you to connect to certificate programs in information technology. Students must be 17 years of age or older, should already have some knowledge of computer applications/software to earn an IC3 certification.

For more information, please send inquiries via e-mail to ESOL@bklynlibrary.org.
