The Adult ESOL Program provides basic English language and life skills instruction to NYC residents whose native language is not English. This class is in partnership with SUNY Brooklyn Educational Opportunity Center (BEOC) 15 week intensive Medical Billing & E-Records class.

ESOL - Medical Billing & Coding

• Do you want to learn more about jobs and careers in healthcare or medical billing?

• Do you want to improve your English to take classes and get a job in the healthcare field?

If you answered “yes” to these questions, and qualify, this training is for YOU!

ESOL for Medical Billing classes will help you learn the English and basic skills you need to help build a career in the medical and health insurance field. You will be prepared to take the national certification exam to become a certified Billing and Coding specialist.
