

Downloadable Media from OverDrive for Android

Download OverDrive app for your device

Before getting started, don't forget to download the OverDrive app. You can do this by going to "**Google Play**" and searching for the "**OverDrive**" App. Once you have found "OverDrive" in Google Play, select **Install** to download the app to your device. You can also download the app straight from your Internet browser at "**app.overdrive.com**" and following the website's instructions.

Instructions:

1. From your Android device, open the OverDrive app. If this is your first time opening the app, you'll be prompted to sign up (register) to OverDrive. Select "Sign up using a library card."
2. Find your library by typing "Brooklyn Public Library." Select the correct Brooklyn Public Library in **NY**, and enter your 14-digit library card number and PIN.
3. Select "**+Add a title**" to search* or browse for eBooks.
4. When you find a title you want, tap its book cover and select **Borrow** (if the title is not currently available, you can tap the **Place a Hold** link)
5. If you're not already signed in, sign in with your library card number and PIN.
6. Go to the  **Loans** page to find the item you just borrowed.
7. Tap **Download** to select the format that you want and your title will automatically begin to download.
8. Tap on the **three-lined icon** (OverDrive home menu) located on the top left of the OverDrive app and go to **Bookshelf**. Enjoy your eBook or MP3 Audiobook!

* You may also search, borrow, or place a hold on eBooks through the main library catalog at brooklyn.bibliocommons.com.

Your eAccount:

- You can borrow up to 15 downloadable titles combined (across all digital formats)
- You can place up to 10 holds on downloadable titles at a time
- You can choose your default lending periods under your account settings, from 7 days to 21 days. You don't have to return them – they automatically expire at the end of the loan period. No overdue fees!
