

Services Offered to Schools

Name: _____

School Name: _____

Preferred email: _____ Phone: _____

Brooklyn Public Library can offer the following services to your Brooklyn school community. Workshops and presentations can be booked at your school or at your local BPL branch. We are happy to collaborate with your school library media specialist, if available. Workshops and presentations are completely **FREE!**

Check all topics of interest and return to your branch library. A librarian will follow up to schedule the workshops best for your school community. Requests may also be sent to classvisits@bklynlibrary.org

WORKSHOP

AUDIENCE

Library Basics

Teachers / Students

- Introduction to public library programs and services
- Taking advantage of your library card
- Using the online catalog (searching and placing holds)

Family Workshops and Presentations
