

# Sensory Friendly and Autism Friendly Movie

I am going to the Library to watch a movie.

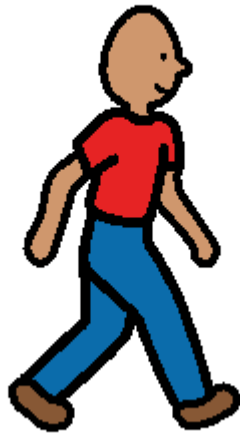

A library is a building filled with books and magazines I can borrow.

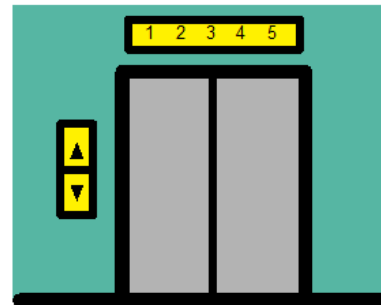

I walk through the Library.

I may use the steps or the elevator to go upstairs or downstairs.

My companions and I find a place to sit.

I can sit on a chair or on the rug.

We can start eating the snacks we brought.

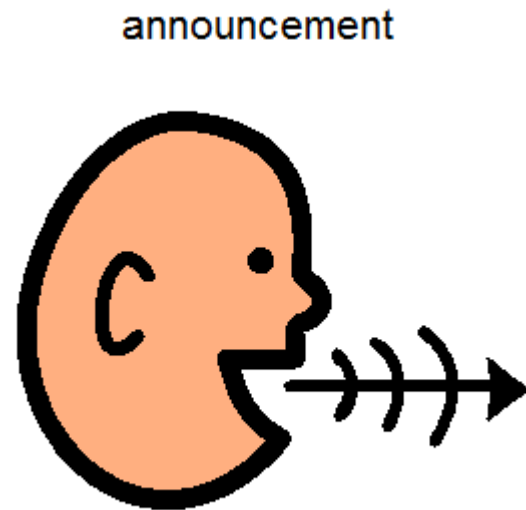

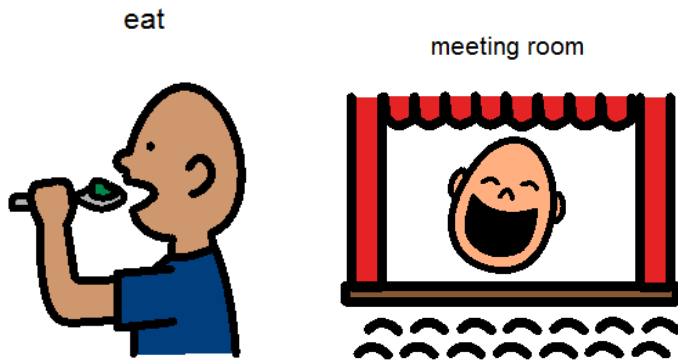

I only eat my snacks and I do not share my snacks with others.

I eat my snacks only in the meeting room.

The Library staff makes an announcement.

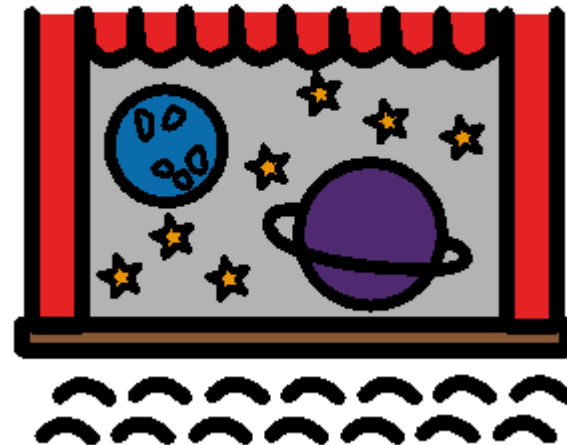

Some of the lights go off.

Then the movie begins.

After the movie is over, I clean up my area.

To leave, I may use the elevator or stairs to leave the library
